

## **YEMEN CRISIS**

***EMERGENCY APPEAL***

## About Us

International Organisation for Development (IOD) is an UK registered charity, established since 2014. We also have our partners abroad around the world, we provide aid, emergency relief, medical aid to the most poor and needy around the world. Also we build mosques and orphanages, and build schools in some of the poorest communities in the world.

## Yemen Crisis

The people of Yemen are dire need of our donations.

Yemen is one of the poorest countries in the world, since 2004 there has been civil going on in the country and the war has intensified since 2015 due to foreign intervention.

## Yemen: The World's Worst Humanitarian Crisis

Yemen has a population of 29 million people and it is estimated that 22 million are in dire need of humanitarian aid relief. According to the UN it is the world's worst humanitarian crisis, millions of people including children are on the brink of major famine and death by starvation.

## Yemen Medical Crisis: The Worst Cholera Outbreak in Modern History

Since 2016 there has been outbreak of a cholera epidemic in Yemen due lack of access to clean water medical supplies, it is estimated by the UN that more than a million than people have been infected and thousands have already died from it.

There is a severe lack of medical care and medical supplies and it is estimated in Yemen every ten minutes a child dies from a curable disease.
